

Bismarck Ndou

Full-Stack Developer

ndoubismarck.com | linkedin.com/in/ndoubismarck | ndoubismarck.com/contact

Backend (Golang, Python, Node.js) · Frontend (Vue3, React, Flutter) · Web Scraping · AI, Chatbots & Automation · AI Model Evaluation · n8n · OpenClaw

SUMMARY

I'm a full-stack developer and AI automation architect with over 10 years of experience delivering scalable backend systems in Go, PHP/Laravel, Python, and Node.js, along with sleek frontend interfaces using Vue 3, React, and Flutter. I specialize in web, desktop, and mobile development, workflow automation, intelligent AI agents, and AI-powered chatbots, building solutions that drive conversion, optimize performance, and accelerate business growth.
